Where Inspiration Meets Action

About Motivational Speaker Jake French

INSPIRATION lights up a student's inner drive to push past limitations and perform at their highest level. Jake French, the very definition of inspiration, teaches what fuels it, inhibits it, and the strategies youth can use to leverage it. As a young man on top of the world with a new college degree and dream job as a forester, a deadly definition of fun combined with reckless choices from a bully resulted in a devastating spinal cord injury that left him a quadriplegic. Life happens, and the choice to only focus on the resources we do have to work with empowered Jake to become stronger than his circumstances and lead thousands to the same place of confidence. Jake isolates the ingredients today's youth need to make intelligent choices, switch from breaking others down to building them up, and develop a "can do" mindset that opens more doors of opportunity!
